TOPICS: Continue discussion of Solid Waste Management: We will discuss "What problem are we trying to address? Do we need a solid waste management plan for the borough?" *(This is an unresolved item previously taken up by the committee in 2014.)*

Whether to recommend limiting the number of tour permits in the Chilkoot River Corridor for 2017: HBC 5.18.020 says: "The number of available tour permits, other than the number of permits for a commercial ski tour, may be set by the assembly in September of each year for the following year."
